OUTPUTS

The outputs in this publications are based on a delta T of 50°C.
To calculate other operating conditions please see conversion chart.

WARRANTY

All towel and feature radiators are supplied under warranty for five years in respect of defective materials and manufacture.

All Valves are supplied under warranty for two years. All elements and accessories are supplied under warranty for one year.

WATER TREATMENT

It is strongly recommended on completion of the installation, the system should be properly flushed and filled in accordance with the British Standard Code of Practise for the Treatment of Water in Domestic Hot Water Central Heating Systems BS7593.

Use of a corrosion inhibitor is strongly recommended by the manufacturer. Failure to observe this recommendation will invalidate the manufacturers warranty.
